Project ♥ Linus

HANDIWORK BRINGS HOPE TO CHILDREN

Project Linus is a national volunteer non-profit organization with a two-fold mission:

- To provide love, a sense of security, warmth and comfort to children who are seriously ill, traumatized, or otherwise in need through the gifts of new, handmade blankets and afghans, lovingly created by volunteer “Blanketeers.”
- To provide a rewarding and fun service opportunity for interested individuals and groups in local communities, for the benefit of the children.

With over 300 chapters, the local coordinators are constantly busy collecting and making snuggly blankets of love, and seeking out children in their communities who are in need. The local Hunterdon/Warren chapter recently donated 10 blankets to our Presbyterian Depot.

If anyone is interested in finding out more about becoming a “Blanketeer” (quilted, crocheted or knitted) or know of an organization that could benefit from blanket donations, please contact Diane Amey at ameydiane242@gmail.com.

Whether you have time to work on a blanket or not, Project Linus accepts odd scraps of knitting and quilting supplies like wool and fabric which can be used in colorful crazy quilt projects that children especially love. Contact Diane Amey to donate.
